

DELEGATIONS OF AUTHORITY POLICY

Outcome statement

This policy ensures that the effectiveness of the governance and management of the School is maintained, to provide an agreed basis by which the School's senior management can exercise its responsibilities and to enable the responsibilities delegated to be monitored.

Scoping

The policy and attached appendices set out those responsibilities that remain with the Board, the responsibilities delegated to the Principal ("Chief Executive"), the Acting Principal, the Hostel Manager and those responsibilities that the Principal can delegate to specified staff positions.

Delegations should be given only by Board resolution, with the nature and conditions of the delegations to be specified in writing and provided by notice to the delegated person or persons as specified in section 66 and 66A of the Education Act 1989.

Expectations and limitations

1. It is the Board's expectation that delegations made will be properly exercised and the persons who hold such delegations will be held accountable. If these principles are observed then the Board can be certain its responsibilities in terms of the Education Act 1989, the Crown Entities Act 2004 and the Financial Reporting Act 1993 will have been properly fulfilled.
2. If persons who exercise responsibilities on behalf of the Board have any doubts or concerns in the execution of a specific action, the expectation is that they will check with the person or group who made the delegation in the first place. The intention of this expectation is that should doubt arise in the exercise of a delegated responsibility it is preferable to verify the bona fides of the intended action rather than make an error of judgement and be held accountable for this.
3. These delegations do not in themselves provide the right to senior management and staff to exercise the responsibilities delegated. The right to exercise these responsibilities must be set out in an Acceptance of Delegations (Appendix 1) which sets out the delegations and is signed by the parties involved.

4. The Principal shall ensure that a copy of each memorandum is safely retained and shall be made available to the Board, the school's auditors and officers of any Court hearing a case related to the school's finances.

APPENDIX 3: AUTHORITIES DELEGATED TO THE ACTING PRINCIPAL

Outcome statement

Authority and responsibilities are delegated to the Acting Principal in accordance with all policies and procedures as approved by the Board.

Scope

In the absence of the Principal of five (5) days or more, the Board approves the delegation of the Acting Principal position.

During any absence of the Principal from the School for more than five days a limited number of the Principal's delegations shall be exercised by the Acting Principal. All such delegations must be exercised in consultation with the Board's Presiding Member. In such an absence the Acting Principal will sign an Acceptance of Delegation for Acting Principal for the relevant period (refer to Appendix 1).

Delegations

This document is to be read in conjunction with the Delegations of Authority to the Principal (Appendix 2) and Delegations of Authority Schedule (Appendix 5).

The delegations of authority to the Acting Principal by the Board will apply along with the following limitations:

1. Employment:

The employment of non-teaching staff must be in consultation with and involve the Business Manager and the Personnel Committee and in the case of the Hostel, employment of staff must also involve the Hostel Manager and the Personnel Committee.

Permanent teaching appointments must be in consultation with the Personnel Committee.

2. Performance management:

The advice of the NZSTA Field Officer and the Personnel Committee must be sought from the outset in all staff performance, discipline and/or competency matters.

3. Policy and new initiatives:

There is to be no change in policy direction or the introduction of school-wide initiatives without the approval of the Board. Powers and responsibilities are limited to the school's operations, i.e. ensuring that the school operates smoothly on a daily basis.

4. Media:

There is to be no contact with the media beyond operational matters without the consent of the Board's Presiding Member.

APPENDIX 4: AUTHORITIES DELEGATED TO THE HOSTEL MANAGER

Outcome statement

Authority and responsibilities are clearly delegated to the Hostel Manager in accordance with all policies as approved by the Board.

Scope

The Principal resolves to delegate authority and responsibilities to the Hostel Manager as outlined below.

Delegations

This document is to be read in conjunction with the Delegations of Authority to the Principal (Appendix 2) and Delegations of Authority Schedule (Appendix 5).

The Principal resolves to delegate to the Hostel Manager the following powers and responsibilities:

1. Employment of hostel staff with all employment agreements to be prepared in accordance with the School's approved operating practices and procedures and authorised by the Principal or their nominee/delegate.
2. Authorise expenditure / payments of all operational and capital expenditure, excluding salaries within the delegations outlined in Appendix 5 that fall within the Hostel budget approved by the Board.
3. Undertake inquiry into issues involving students / staff with the proviso that the Principal will be informed of all issues that are of a serious nature. The decision to discipline a staff member remains with the Principal.

6. Staff performance management including staff performance appraisals.
7. The day-to-day operational management of the Hostel.

APPENDIX 5: DELEGATIONS OF AUTHORITY SCHEDULE

Outcome statement

Detailed authority and responsibilities and their associated dollar value limits are clearly defined and delegated to the Principal and other key senior roles within the school.

Scope

The Board delegate authority to the Principal and key senior roles within the school as outlined below.

Expectations and Limitations

The expectations in relation to this schedule include:

1. That the schedule applies to budgeted items only.
2. It assumes that all expenditure is within budget.
3. In all cases, a 'one-up' rule applies, where approval can only be given by the next tier of authority within the school. For example, the Board approves the Principal's activity, and Deputy Principals can approve activity for Heads of Department.
4. Where a delegate is absent from their normal role or place of work, and if that delegate requires documentation to be executed or authorised on their behalf during such an absence, then the following is required:
 - 4.1. The delegate will email issue a statement to all relevant parties the details of:
 - 4.2. The name of the individual who is receiving the authority and the duration of the authority. This email requires a 'reply to all' response from the delegates manager, giving approval of the temporary delegation.
 - 4.3. All documents authorised on behalf of another person should be executed with the person's own signature (including the words 'on behalf of' and the name of the person who normally holds the authority).
5. Authority may not be delegated to any person who is not an employee or Board member of the school.
