#### Bring Your Own Device (BYOD)

We expect students to bring a laptop to school to support their learning. We are a Microsoft Office 365 based school, and we recommend a Windows 11 device, capable of running Microsoft Office. It should be lightweight and robust enough to survive teenage life, have a battery life of 6 hours or longer, and enough RAM (min 8GB) and Solid State Storage (SSD – min 128GB) for applications to run smoothly.
